Sponsorship Opportunities

Everyone needs a roof over their head. Help the CWGA support the Children's Home Society of Virginia by playing in or sponsoring our event. There are many ways to become involved. You can be the Tournament Sponsor, a Hole or Green Sponsor, Beverage Cart Sponsor, Range Sponsor, and/or Lunch Sponsor. Other options include, a Tee Gift Sponsor, a Contest Sponsor, or play. All sponsors will be listed in tournament program. Sponsors may provide business materials for player packets.

CHSVA Possibilities Project

The Possibilities Project (TPP) TPP is an innovative new program that will equip youth with the tools they need to become productive citizens, break the cycles of poverty and ultimately thrive. This collaborative endeavor provides former foster youth the stable housing and the social supports they need to succeed as adults. This includes helping them access housing, education, vocational training, job placement, counseling, a variety of critical life skills and more than one positive lifelong adult connection. The youth participants also have community service activities and/or public policy advocacy to create systemic improvements for other foster youth. TPP uses best practice methods proven to transform the lives of at-risk youth.
